At the conclusion of yesterday's meeting at Christ Church of the Women's Auxiliary, its members were conveyed to the Theological Seminary, where they were received at the door of Aspinwall Hall by the ladies of the Seminary Hill Branch of the Auxiliary and were shown by them the various objects of interest in the chapel, halls and library. Later they assembled at "Oakwood," the home of Rev. S. A. Wallis, where they were charmingly entertained by the ladies of the hill.

Last night, at her home on Washington street, Mrs. Arthur S. Lloyd was the hostess of a charming reception given to the delegates and members of the auxiliary. Mrs. Lloyd was assisted in receiving by Mrs. Robert Barton, of Winchester, and Miss Sarah Stuart, and by her house guests, Mrs. Lancaster, Miss Lancaster and Miss Purcell, of Richmond, and Bishop Rowe, of Alaska.

## POLICE COURT.

[Justice H. B. Caton presiding.]

There were but two prisoners for trial in the Police Court this morning. A white woman, who had been found drunk in the street, was first arraigned. The officer stated that she was in a doorway in a helpless condition and he had to bring her to the station house in a vehicle. Justice Caton told her she could go after she paid the cost of transportation. Not having the necessary where-withal, she was returned to the place whence she came.

A young white man, who has on other occasions been made to face the bar to answer the charge of chronic drunkenness, was later ushered in. He was dismissed with the assurance that should he be again arrested he would be sent to jail for three months.

## BRIDEGROOM IN PRISON.

Otto Linaweaver, of Washington and Manassas, who was arrested in Rockville, Md., Tuesday afternoon on a warrant sworn out by his father-in-law, Armentis C. Buchanan, of Craigsville, who charged him with perjury in connection with his marriage under the name of Owen La Monte, last Saturday afternoon, to Buchanan's daughter, Miss Lephia Buchanan, was given a preliminary hearing before Justice Reading, in the police court at Rockville yesterday. His bail was fixed at \$1,000 but being unable to furnish it he was committed to jail to await the action of the grand jury.

It was shown at the hearing that Linaweaver swore, in making application for the license, that his name was La Monte and that he had never been divorced. The man's divorced wife, who was Miss Nellie Neville, of Washington, testified that she and Linaweaver were married in Rockville in July, 1907, and that she was granted a divorce from him in May or June of this year. Mr. Buchanan took his daughter home with him yesterday evening.

## GREAT SPORT.

Messrs. John A. and C. B. Marshall and Cecil Huffy returned last night from the most successful two days hunting trip of many years. All the game was found on one of Mr. Marshall's farms in Fairfax county. The gunners bagged 65 partridges and woodcock, 28 rabbits and 15 squirrels. They report turkeys as scarce.

Mr. Lucien Davis returned today after a successful gunning trip in the mountains. He brought home with him several wild turkeys, a great many birds and about 25 rabbits. He said the party he was with kept as many as he brought home.

They were as plain as life and Colonel Mosby was depicted in some daring feats of warfare. Tonight there will be another good show and new pictures.

## WOMAN'S AUXILIARY.

The second day's morning session of the Woman's Auxiliary convened in Christ Church this morning at 9:15 o'clock. The president, Miss Sallie Stuart, in her brief opening address expressed the thought of the great importance and value of the work to be done during the coming year.

Mrs. French read the minutes of the meeting yesterday which were approved. The report of the Woman's Auxiliary in Virginia was read by Miss Stuart; all obligations and special pledges have been met; this is a special cause of rejoicing. Miss Stuart referred most fittingly to the memory of Miss Margaret Creshaw who had so faithfully served as secretary of the Auxiliary, and stated that \$200 had been given by the executors of her will for the work of the Auxiliary.

Today there are in the Auxiliary, 85 branches of the Auxiliary, 46 branches of the Junior, 500 helpers in the Babies' branch.

For the twenty years of the life of the auxiliaries \$157,833.98 have been given in cash and boxes by the auxiliary. Of this amount \$68,916.99 has been given to work in the diocese during the period.

The statistics for this year are as follows:

Mrs. Howard reported for the Babies' Branch \$177.78 received during the year; \$163.60 given for foreign work in Alaska, Philippines, Idaho, Japan and China for work for children, home and abroad.

Miss Seldon of All Saints Branch, Richmond, presented a cordial invitation from all the Richmond branches to the Woman's Auxiliary to meet there in 1911.

Mrs. Jones of Christ Church, Winchester, invited the Auxiliary to meet in Winchester in 1912. Both invitations were gratefully accepted.

The convocation reports follow: Mrs. Bolling, secretary from Albemarle, reported 11 branches with a total offering of \$897.79.

Mrs. Morton for the secretary from Rappahannock Convocation reported 12 new branches formed this year. Total offering \$258.79.

Mrs. Mordcau, secretary for the Richmond convocation, reported 18 active branches; of these 13 are in Henrico parish; 2 dormant.

Mrs. Ellis, secretary of the Valley Convocation, reported that the work was largely missionary, and a new Junior Branch in Grace Church, Linwood.

Mrs. Crawford, secretary of the Piedmont Convocation, reported progress in the work.

The matter of ways and means for raising auxiliary funds was considered and social entertainments for the country parishes were commended; all these means in addition to self denial as the basis for raising auxiliary funds.

Miss Purcell, president of the Brotherhood of St. Paul, spoke briefly upon the work of the brotherhood among the boys of the church. The Brotherhood of St. Paul is especially for work among boys.

A telegram from the Woman's Synodical Union to the auxiliary sending the greetings of the season was received and a fitting reply was sent.

A telegram was sent to Bishop Lloyd, now in New York, telling him of the work of the auxiliary.

Bishop Rowe, of Alaska, then delivered an interesting address telling of the work being done in that far away land.

Noon prayer was then offered by Bishop Gibson.

Miss Chichester, of Stafford, then made an appeal for help for a chapel in that county.

Mrs. Chapin contributed hymns and prayer books for Stafford Chapel. Bishop Gibson heartily endorsed Miss Chichester's paper.

A letter from Dr. McBryde was read by Miss Stuart in the interest of the Stafford Chapel.

Miss Rose Wheat, of Dumfries, was introduced by Miss Stuart. She is the student girl supported by the Woman's Auxiliary at the deaconess house in Philadelphia.

The doxology was then sung and the ladies repaired to the Parish Hall, where a most beautiful lunch was served by the ladies of the Alexandria auxiliaries.

After recess and luncheon the meeting was called to order by Miss Stuart. A vote of thanks was tendered Mr. Cleveland for his services as reporter for the auxiliary.

Mr. Cleveland then laid before the auxiliary the necessity for a hospital in the Blue Ridge near Pocahontas, and appealed to the members for help in completing the building.

The meeting after electing officers, this afternoon will adjourn and tonight the Missionary Rally will be held. A number of interesting addresses will be made and a large attendance is expected.

Marriage licenses were issued in Washington yesterday to Lawrence D. Smith, of Alexandria and Ruth Lockerman, of Baltimore, and to Benjamin H. Shippe, of Markham and Vergie T. Pearson, of Delaplane.

No business of general interest was transacted by the Columbia Steam Fire Engine Company at the meeting last night.

## MR. TAFT ACCEPTS INVITATION.

A delegation of Masons of this city, headed by Hon. C. C. Cardin, who had previously arranged for the meeting, called at the Executive Mansion in Washington this morning and extended an invitation to President Taft to attend the annual celebration of Washington's birthday by Washington Lodge on the 22nd of next February and participate in the exercises incident to the formation of the permanent National Memorial Association, which takes place on that day. Mr. Taft was most gracious and cordial in his reception of the delegation, giving them assurance that he would afford him pleasure to comply with their request and accept their invitation. In view, however, of the numerous demands on his time, it would be impossible for him to be present during the whole ceremony, but, unless something happens to prevent, which he did not anticipate, he would endeavor to at least be present and witness the conferring of the Master Mason's Degree and attend the banquet in the evening, and suggested that he would leave the detail of the arrangement to his secretary, Captain Butt, who was, he said, particularly qualified for this duty as the "captain" is himself a Mason.

The programme for the formation of the permanent Memorial Association will occupy at least two days, and representatives of Grand Lodge will be instructed to arrive in this city on the evening of the 20th, or at an early hour on the 21st. The preparation and adoption of construction and by-laws will occupy the attention of the delegates on the 21st, followed by the election of permanent executive and administrative officers for the association, such president, vice presidents, secretary, treasurer and such others as the association may deem necessary. An effort will be made to conclude all work, relative to the Memorial Association by twelve o'clock on the 22nd, when after luncheon the distinguished guest will be taken to Mount Vernon.

On the return from Mount Vernon the Master Mason's Degree will be exemplified (unless something intervenes to prevent, by degree team from Michigan), concluding with the banquet in Army Hall.

This plan, virtually the same as was successfully carried out last year, except that the ceremonies will occupy at least two instead of one day, as before.

About thirty-eight grand jurisdictions up to this time, by action of their grand lodges or through their grand masters, have endorsed the proposition, giving assurance that their jurisdictions will be represented at the formation of the permanent association next 22 of February.

Revival services will be renewed in Trinity M. E. Church next week.

The directors of the Southern Railway went on a tour of inspection of the Manassas Branch yesterday. Today they were taken over the main line.

The Ladies' Aid Society of the Second Baptist Church will hold a rummage sale on Thursday, Friday and Saturday of this week at their church, corner of Columbus and Pendleton streets.

Mr. Thos. Carter, auctioneer, today sold at auction at No. 119 King street, the household furniture, paintings, china, etc., recently purchased by Mr. J. Diefus, from the residence of the late C. N. Crittenton, at 309 Oronoco street. The sale was well attended and good prices were obtained.

SEED ON FIRE. The alarm of fire early this afternoon was caused by the discovery of a blaze in a shed in the rear of house No. 311 north Alfred street, occupied by Philip Johnson, colored. The fire department soon responded and prevented the spread of the flames. The fact that a brisk northwest wind was prevailing at the time caused some anxiety in the vicinity of the fire until the firemen succeeded in subduing it.
